May 22-25, 2012,**

Sponsorship Opportunities

Sponsorship provides you with an affordable and effective opportunity to promote your company to the decision makers at numerous utilities, industries, service companies, government agencies and testing equipment manufacturers.

Your company's sponsorship will be announced at the meeting and promoted in the conference materials distributed to the attendees. A complimentary table will be provided for literature and displays during your sponsorship period.

Continental Breakfast (Tues, Wed, Thurs, Fri) - \$1,500

All attendees are invited to a complimentary continental breakfast of coffee, juice and muffins or rolls. Take advantage of this time for exclusive exposure with the attendees while everyone is enjoying their morning coffee before the meeting begins each day. Display your products and literature and have your representative available to answer any questions.

Morning Break (Tues, Wed, Thurs, Fri) or Afternoon Break (Tues, Thurs, or Fri) - \$1,000

Refreshments are provided during the mid-morning and afternoon breaks. After the announcement is made and everyone thanks you for the refreshments, you will have an exclusive opportunity to display your products and literature and market your company to the meeting attendees.

Lunch (Tues, Wed, Thurs, or Fri — Limited to 3 sponsors) - \$2,000

This is a fabulous opportunity to gain valuable exposure and direct contact with the attendees. Display your products and literature and have your representative available to answer any questions. Participants can browse at their leisure during the lunch break.

Yes, we would like to sponsor an event:
